

Jaimie Yung, MD

Psychiatry, Corvallis, OR

Summary

I am a friendly team player. When we are able to recognize and utilize the strengths of the individuals on the team, together we can work efficiently providing evidenced-based high level care to our patient population. My professional passions include aspects from lifestyle medicine and a focus on values-based care.

Clinical Expertise

Transcranial magnetic stimulation, Outpatient psychiatry, Partial Hospitalization Program, Mentor, Consulting psychiatrist for primary care, Supervising psychiatrist
