EDUCATION AND AWARDS:

Cleveland Clinic Foundation, Pulmonary, Allergy and Critical Care Fellowship, 2012 – 2015
Cleveland, OH

Cleveland Clinic Foundation, Biomedical Ethics Research Concentration, 2014-2015
Cleveland, OH

Honors

- Teaching Excellence Award, Cleveland Clinic, 2014
- Best abstract, Critical Care session, ACCP CHEST conference 2014
- Best Original Investigation, CCF RI Research Day, 2014
- Cleveland Clinic Foundation, Medical Ethics Committee 2013 - 2015
- Merit Award, American College of Physicians, Ohio chapter, annual meeting, 2012

Cleveland Clinic Foundation, Internal Medicine Residency, 2009 – 2012
Cleveland, OH

Honors

- Graduate Teaching Degree: Learning to Teach, Teaching to Learn Program
- Clinical Scholars Research Program
- Resident Travel Award, American Thoracic Society, annual meeting, 2011
- Internal Medicine Curriculum Committee

Albert Einstein College of Medicine, 2005 – 2009
Bronx, NY

- MD, with *Distinction for Research in Infectious Disease*
USMLE: Step 1: 235 (98) Step 2: 252 (99)

Honors

- Elsevier Student Book Award for Excellence in Clinical Research, American Society of Tropical Medicine and Hygiene Annual Conference, 2009
- Second Place, 43rd Annual Academic Writing Competition of Long Island Jewish Hospital, North Shore University Hospital, Schneider Children's Hospital and Zucker Hillside Hospital, 2008
- Honors, Internal Medicine Sub-Internship, Emergency Medicine Sub – Internship
- Albert Einstein College of Medicine Senior Research Fellowship, Infectious Disease, 2007-8

Bernard Revel Graduate School of Jewish Studies, 2004-5
Study Concentration: Modern Jewish History
New York, NY

Honors

- Mozes S. Schupf Fellowship

Yeshiva College of Yeshiva University
New York, NY

- Bachelor of Arts, Biology and English Literature, 2004

Honors:

- Magna Cum Laude
- *Jesselson Scholar* Scholarship Award
- Schottenstein Honors Program
- Dean's List 2001 – 2004
- SAR High School Teaching Fellowship
- Teacher's Internship Program

EMPLOYMENT EXPERIENCE:

- Pulmonary Physician, Ben Gurion University/Soroka Hospital 2015 – Active
 - Clinical pulmonary specialty responsibilities
 - Director of the cardio-pulmonary exercise testing program
 - Medical school education and curriculum development
 - Multiple clinical research projects

- Community Intensivists: Attending physician 2015 – Active
 - In house ICU coverage at SouthWest General Hospital
 - Participation in establishment of hospital and ICU policies and procedures

- My Specialist MD: 2015 – Active
 - Provides specialist telemedicine solutions to telehealth providers
 - National and international clients

- OurCrowd: Medical Technology Analyst 2015 – Active
 - Financial and clinical analysis of start-up companies in the medical sector
 - Assessment and due diligence for those seeking medical technology investments

- Teladoc: Independent Contractor
 - Performed telemedicine consultations in internal medicine 2014 – 2015

- Martin HealthCare Group: House physician 2013 – 2015
 - House physician in numerous medical facilities in the Cleveland area

BOARD CERTIFICATION:

ABIM Internal Medicine: October 2012

ABIM Pulmonary Medicine: November 2014

ABIM Critical Care Medicine: taken October 2015

RESEARCH EXPERIENCE: See Publications and Presentations.

- Cleveland Clinic Foundation, Department of Ethics, Humanities and Spiritual Care, 2012 – present
- Cleveland Clinic Foundation, Department of Pulmonary and Critical Care Medicine, 2009 – present.
- Cleveland Clinic Foundation, Department of Internal Medicine, Infectious Disease, Nephrology, 2009 – 2012.
- Jacobi Medical Center, Department of Infectious Disease, 2008 – 2009.
- Schneider Children's Hospital, Department of Nephrology, 2005 – 2008.
- Albert Einstein College of Medicine, Research Internship in Bioethics, Summer, 2005.
- Columbia Presbyterian Medical Center, Pediatric Cardiology, 2001.

Wiesen A, Wiesen J, Priyadarshi S, Neeraj K, Bank S. Mesalazine induced aplastic anemia in a patient with Crohn's Disease. Poster presentation, American College of Gastroenterology, annual scientific meeting, Philadelphia 2007.

Meca M, Wiesen A, Broder A, Schwender B, Wiesen J. A comparison of Ranson's Criteria versus Sequential Organ Failure Assessment Score (SOFA) in predicting intensive care unit admission, morbidity and mortality in acute pancreatitis in the emergency room. Poster presentation, American College of Gastroenterology, annual scientific meeting, Philadelphia, October 2007.

Editorial Positions:

- Abstract Reviewer, American College of Chest Physicians, 2015 – present.
- Manuscript Reviewer, European Heart Journal, 2014 to present.
- Editor; And You Shall Surely Heal: The AECOM Synagogue Compendium of Jewish Medical Ethics and Law. Ktav Publishing: New Jersey, 2009.
- Founder and Editor, AECOM Synagogue Journal of Jewish Medical Ethics, 2009.
- Consulting Editor, McMurtrie's Human Anatomy Coloring Book. 2006, Sterling Publishing Co: NY.

EXTRACURRICULAR ACTIVITIES:

- Cleveland Clinic Foundation, Medical Ethics Committee
 - Determined hospital policy on all ethical dilemmas
 - Provided inpatient ethics consultations
- Cleveland Jewish Medical Ethics Society, Founder
 - Organized and delivered monthly lectures
 - Coordinated bi-yearly ethics seminars
- CCF Clinical Scholars Program, 2010-2011
 - Studied advanced statistics, clinical research and epidemiology, medical writing and academic teaching
 - Constructed, organized, implemented and composed an original research project
- Internal Medicine Curriculum Committee, CCF, Resident representative, 2010- present
 - Created a curriculum for the internal medicine residency
 - Creating educational initiatives and implementing them
 - Restructuring model for resident education
- Internal Medicine Residency Work Hours Committee, CCF, Resident representative, 2010-present
 - Brainstorming and feedback for residency program scheduling
- Learning to Teach, Teaching to Learn Program, 2010
 - Studied educational theory and methodology, and its pragmatic implications for academic and clinical education
 - Clinical teaching evaluation and mentorship
- Students to Teachers Program, AECOM, Conference Leader
 - Instructed case – based learning conferences in renal physiology and cardiovascular medicine
 - Summarized and synthesized course material, applying it to given clinical scenarios
- And You Shall Surely Heal, The Albert Einstein College of Medicine Synagogue Compendium of Torah and Medicine, Editor.
 - Collected, edited, and organized the publication of this compendium of articles on a variety of topics in the realm of Judaeo-Christian medical ethics.
- Peer tutor, AECOM, 2007- 2009
 - Tutored students in renal physiology, infectious disease and parasitology.
- SAR High School Teaching Fellowship, 2004 – 2005
 - Planned, organized and implemented innovative teaching curriculum
 - Taught and mentored adolescent high school students
 - Personal research studies in medical ethics
- YC, Music Appreciation Club, Founder and President, 2001 – 2004
 - Coordinated a joint program with entertainment companies for student discounts
 - Arranged student events in a wide array of interests
- YUHSFB, Varsity Soccer Team, Coach, 2002 – 2003
 - Functioned as an unofficial advisor and mentor to the students
 - Selected a team, coordinated a season schedule and taught fundamental skills
- Teacher Internship Program, Kushner High School, 2003
 - Paired with a senior faculty mentor, observed and discussed his teaching
 - Prepared for and taught classes, and received constructive feedback on pedagogic and oratorical skills
 - Informal classes in the areas of basic educational approaches and skills
- Zichron Menachem Association for Children with Cancer and Their Families, Platelet Donation Coordinator, 1999 – 2001
 - Selected to recruit viable platelet donors and arrange for their transportation to the hospital
 - Recruited donors with utmost concern for confidentiality

HOBBIES:

Postmodern literature, hockey, skiing, teaching.
